Celebrate your library during National Library Week from April 11th - 17th. Stop in the Library to see all it has to offer!

A Note from the Director,

A Special Thank You – I would like to take this opportunity to especially thank the American Legion and Greenwood Lake Lions Club, who have been such generous supporters of the Library through the years. Whether it was lending us equipment for our Summer Reading Program for the children (not to mention often actually delivering it to the Library) or providing monetary donations to support special projects or equipment, the American Legion and the Lions Club have continually been there in support of the Library. Because the Library is sustained by the taxpayers of Greenwood Lake, these two very special organizations are truly supporting the entire community by their generosity to the Library.

July 1, 2010-June 30, 2011 Library Budget Information:

- Taxpayers are welcome to come to our scheduled budget hearing on Friday, May 7th, from 1-3 p.m. Sara Neyman, Board of Trustee Treasurer, and Sandy Newman, Assistant Treasurer, will be available at this hearing to answer any questions you may have. If you are unable to attend the budget hearing, the Library budget information will be available for your perusal at the Front Desk and any questions regarding the budget should be directed to Sandy Newman, Assistant Treasurer (Ext. 12), or Joan Carvajal, Library Director (Ext. 13).

- The Library’s budget is voted on separately from the school. The Library’s budget is not included in your school taxes; however, it does appear as a separate line item on your school tax bill.

- The vote on the Library budget will be held on Thursday, May 20th, from 2-8 p.m., at the Library.

- All residents of the Greenwood Lake Union Free School District who are registered voters can vote; not just village residents.

Spring is Here and so are Family Fun Museum Passes – Don’t forget that the Library offers family museum passes to the Museum of Natural History, the Harness Racing Museum, the Hudson Highlands Nature Museum, the Paley Center for Media and the New York City Fire Museum. All passes guarantee free general admission – special programs and/or exhibits may require a cost to you. Don’t miss this wonderful opportunity to enjoy the museums that your Library and New York has to offer! Please note that the passes are available to resident library cardholders for a 3-day period only; the fine is $10 per day if returned late to ensure that other patrons are not left waiting for their opportunity to use the passes. These passes cannot be put on hold; patrons must come to the Library to see if they are available to be checked out. For info, call Jill Cronin at Ext. 19.

Security Cameras – The Library will soon have security cameras (with sound in the Youth Study Center). Signs will be posted, as required by law. The Library has not taken this action lightly. Unfortunately, it has become increasingly evident that security cameras are needed as a result of theft, building defacement, threats, and inappropriate behavior. Thus, the purpose of these cameras is to protect library materials and equipment, patrons, staff, and the taxpayers’ investment. We specifically purchased cameras at this time because they could be funded through the generous bequest of the late De Marco family without increasing our budget.

Thanks for the Memories – On Saturday, May 1st, from 1-3:30 p.m., the Library will host Thanks for the Memories, a farewell tribute to the Greenwood Lake & West Milford News and Staff for its dedication and service to our community. Because of the many community group representatives attending and space limitations, open registration will depend on the RSVP list.

Don’t Miss Our New Book Lovers Club – Join us for a great read, interesting discussion, and light refreshments, on the 4th Tuesday of every month. The next meeting is on Tuesday, April 27th, at which Galileo’s Daughter by Dava Sobel will be discussed. We welcome your participation. Join this new club and check out a copy of the book. If we should be out of copies, we’ll be happy to place an inter-library hold for you on another library’s copy of the book. We get three deliveries of inter-library loan material a week. There are many copies in the system enabling you to receive it fairly quickly. Be sure to come armed with suggestions for our next read when you attend!

Wishing you a happy spring,
Joan Carvajal

SPOTLIGHT ON...

Each spring, the Library focuses on a particular department to show the valuable resources available to our patrons.

This spring we spotlight the...

Technical Services Department

Supervisor: Theresa Stevenson

For info on the Technical Services Department, call Theresa Stevenson at Ext. 11

Technical Services are the behind-the-scene activities that keep a library running. Primary tasks include processing new and donated materials, weeding or downsizing collections to make room for additional selections, as well as the repair and mending of damaged items. Making book displays is a fun aspect of the job that showcases the wide variety of materials our Library has to offer, some for which you didn't even know you were looking! If you would like to suggest items to add to our collection or if you have an idea for an upcoming book display, please let us know!

The Voyagers: Grand Tour of the Giant Planets and Beyond

Meet Dr. Charles P. Holmes, recently retired from NASA, at this extraordinary program on Wednesday, June 9th, from 7-8:30 p.m. *The farthest physical extent of the human race is represented by the two Voyager spacecraft—now over ten billion miles from Earth. Launched in 1977, the Voyagers made history as they toured the largest planets: Jupiter, Saturn, Uranus and Neptune, providing new vistas and data for hundreds of new discoveries. In the last twenty years, the Voyagers have continued their journey, exiting the solar system on their way to interstellar space. Data returning today from these venerable machines are still exciting scientists and astronomers, as well as amazing the general public.* Dr. Charles P. Holmes

The Voyagers: Beyond the Garden Gate: Moss, Myths & Mystery

Cornell’s Master Gardeners return on Sunday, June 13th, from 1-2:30 p.m., to introduce you to moss and moss gardening around the world. It’s the new lawn alternative and Mother Nature’s garden gift to us!

Roth Conversion: Is it Right for You?

John Sloan, Financial Advisor at Joseph P. Lucia & Associates LLC, will discuss the BIG financial topic for 2010 of converting your IRA into a tax-free IRA. You will learn about how a ROTH works, what are the tax and investment implications, and how a conversion affects your heirs on Wednesday, June 16th, from 7-8:30 p.m. This program is sponsored by Joseph P. Lucia & Associates LLC.
Art Squared

MATERIALS’ DONATION POLICY
We thank you for donating materials to the Library.
• Call ahead before bringing donations to the Library to Elizabeth Cisek, Ext. 15, or Theresa Stevenson, Ext. 11. Please leave a message if they are unavailable. They will return your call.
• Donations of books, audio books, videos, or DVDs, should be in reasonable amounts (no more than a box or bag full).
• We do not accept textbooks, audiotapes, cassettes, videos, or DVDs, should be in reasonable amounts (no more than a box or bag full).
• The items donated and their container must be free of mildew/dirt. Mildew is contagious and spreads to other books.
• All donations should be brought to the Library during operating hours and not to be left outside the Library after hours. Any donations left outside are immediately discarded.

Our Special Thanks to
The American Legion... We wish to thank the American Legion for their generous donation, which will be used for a planned cooperative reading program with many of the libraries in the Ramapo Catskill Library System.
The Lions Club of Greenwood Lake... Thank you to the Lions Club of Greenwood Lake for their generous donation, which will also be used on a planned cooperative reading program among many of the libraries in the Ramapo Catskill Library System. In addition, the Lions made a separate donation to the Library, which will be used to fund a local history program and our Adult Book Lover’s Club.
Our Patrons... Thank you to patron, Jim Smyth, who made a generous donation and thank you to all of our patrons who make donations anonymously through our donation jar at the Front Desk.
The Greenwood Lake Public Library Local History Digitization Project

With the closing of the Greenwood Lake West Milford News, Ann Chaimowitz graciously donated original copies of many of the newspapers. Previously, we were already in the process of digitizing our local history materials so that we could make them available to our patrons online. As you may have noticed, our web site currently has available for patron’s use Local History Digital Archives for 35 of Wilbur Christman’s scrapbooks, as well as over 900 Local Obituaries.

Digitization is an expensive process. Because of this, we are asking those of you with a special interest in local history or genealogy or who just love the Library to consider making a donation specifically earmarked to this project. Please use the coupon below when making any donation to this project. As always, your generous support of Library projects is truly appreciated.
