Summer 2011

The sun is always shining at the Greenwood Lake Public Library!

A Note from the Director

On behalf of the Board of Trustees and Staff, I would like to express our thanks to the residents of the the Greenwood Lake Union Free School District for passing our 2011-2012 budget. Please accept our sincere gratitude for your vote of confidence, which will allow us to continue to provide the level of service that you have come to expect from the Library. The 2011-2012 fiscal year budget passed 72 to 8 and Robert F. Fraser, incumbent trustee, was re-elected with 68 votes.

Please be sure to take advantage of all your library has to offer—quality children's, young adult, family, and adult entertaining and educational programming, a vast array of library materials (books in print, audio books on CD and Playaway, downloadable audio and e-books, newspapers, magazines, DVDs, music CDs, computer software, and reference materials), comfortable spaces for all age groups (a children's

area with puzzles and puppets; a Youth Study Center in which tweens and teens can do their homework, play games, do crafts, enjoy a snack and socialize; an adult area that includes a quiet Reference area where adults can study, read the news-

paper, work on a puzzle at our puzzle table, and enjoy morning coffee and a light breakfast snack from our Café), a variety of services (public access computers that have the Internet and Microsoft Office, including Word, PowerPoint, Excel, and Publisher, printing from the public access computers, flash drives and diskettes for saving your work, wireless access, laptop computers, copying, faxing, and scanning), and a Staff who appreciates your support and whose pleasure it is to serve you. We look forward to seeing you all in our new fiscal year!

**Wishing you a safe, happy summer,
Joan Carvajal, Library Director**

What's New! – As you may have read in the May 18th issue of The Warwick Valley Dispatch, the Village of Greenwood Lake and the Library received a New York State Green Innovative Grant of \$560,000 for a joint project, which is designed to give a new "green" face to the municipal parking lot and the Library's entrance areas. We look forward to working cooperatively with the Village on this project.

Also on display will be a phone book from 1946-47 of the greater Greenwood Lake area. Both items were acquired by the Seccaficos when the Humphrey's sold the hotel.

On display will be historical photos of the early residents of Greenwood Lake showcased by life-long Greenwood Lake resident, Charlotte Santopietro.

"The Early Days of ... Button Hooks"

SOME SPECIAL FRIENDS OF THE LIBRARY

In Memory of a Friend

The late Agnes Kilduff, was recently honored by the Village of Greenwood Lake with the dedication of "Sonshine Park." Agnes' license plate read, "Sonshine," in honor of her two sons. The Village's tribute was a moving and thoughtful celebration of Agnes' life.

Agnes was a long-time Village trustee and liaison to the Library. As liaison, Agnes was always sure to promote Library events and was willing to bring Library concerns to the Village; she was a true proponent of community cooperation. However, long before Agnes was the Village Trustee's liaison to the Library, she was involved in the Friends of the Library from 1989-96. Agnes organized craft fairs, fashion shows, bake sales, raffles, etc. Back when our Library was just one little room with a limited budget, Agnes and her Friends Group worked extremely hard to raise much needed funds to support programming and whatever else the Library might need.

We are grateful to Agnes for her support throughout the years as a liaison to the Library and in her capacity as a Friend of the Library. The Greenwood Lake community has lost a true "Friend" who will always be missed.

A Thank You to a Friend

We are saddened to tell you that Kelly Corrado, who has served in a voluntary capacity as President of Friends of the Library since 2003 and creator and advisor of the Junior Friends of the Library since 2007, will be resigning from the Friends' Groups. (She will continue in her employee capacity as Coordinator of Adult Services, Special Programs, Publicity, and Promotions for the Library.) Kelly worked extremely hard on brainstorming to develop and implement many unique and profitable fundraisers, and in continually promoting the fundraisers and the Library in general. The amount of personal time she devoted to these efforts is incalculable.

During her years with the FOL and JFOL, Kelly led the groups in raising over \$12,000.00 for the Library. However, Kelly's contributions to the Library have been far more important than money. She created good will throughout the community with fundraisers, like the Senior Citizen Prom, and developed a spirit of generous cooperation with local merchants and patrons who contributed many times to her fundraisers through their donations of food, prizes, money, or time. Kelly motivated a group of tweens and teens to become involved in the Library in a meaningful and fun-filled way. These young volunteers had many of their own individual fundraisers, such as the Snow Ball, Car Washes, and Candy and Bake sales. The JFOL also worked hard in support of the FOL's Senior Citizen Prom and 3-Day Book Sale fundraisers. It takes a very special person to keep a group of young people inspired to work as hard as they did for as long as they did. The Library is, of course, also very grateful to all of Kelly's Friends and Junior Friends.

The Board of Trustees, Director, and Staff would like to express our gratitude and appreciation to Kelly for her hard work on the behalf of the Library. We wish her well and hope that she enjoys this new time in her life.

Thank you Agnes and Kelly!

MATERIALS' DONATION POLICY

For info, contact Elizabeth Cisek at Ext. 105,
Jill Cronin at Ext. 109 or 110, or call Front Desk at Ext. 101

We are most grateful for donations of materials to the Library. However, because of lack of space, we are unable to store excess donations that we cannot use or are unlikely to sell. Please note the following when considering donating materials to the Library:

1. Call ahead before bringing donations to the Library to Elizabeth Cisek, Ext. 105, or Jill Cronin, Ext. 109 or 110. Please leave a message if they are unavailable; they will return your call.
2. Donations of books in print, books on CD, puzzles, video games, board games, or DVDs should be in reasonable amounts (no more than a box or bag full).
3. We do not accept videos, books on tape, textbooks, magazines, Reader's Digest condensed books, or encyclopedias.
4. The items donated and their container must be free of mildew and dirt. Mildew is contagious and spreads to other books.
5. The Library reserves the right to use material donations for our collection or Book Sale. If the Library determines the material to be inappropriate for either our collection or our Book Sale, the Library reserves the right to discard it.
6. All donations should be brought into the Library during operating hours and should not be left outside the Library after hours. Any donations left outside are immediately discarded because of possible insect/rodent infestation as well as dampness issues.

"THURSDAY NITE MUSIC MAKERS" CONCERT SERIES PROJECT

The Greenwood Lake Public Library "Thursday Nite Music Makers" Concert Series Project

The Library often receives requests for more programs dedicated to music. Unfortunately, quality music programs can be expensive and our programming budget must cover a variety of other programs as well, such as education, cooking, crafts, etc. While we do seek out grants for programs that are costly, the current economic climate has caused fierce competition for such grants.

Because of this, we are asking those of you with a special interest in music, or who just love the Library, to consider making a donation specifically earmarked for this Project. If you would like to donate to this Project, please use the coupon below. As always, your generous support of Library projects is truly appreciated. Thank you.
